## Women on Snow donate \$3000

# Winter trail rescues just became easier

by Jerry Grozelle

The Stanhope Fire Department has added a vital piece of equipment to its emergency rescue gear, thanks to a \$3,000 donation from the Haliburton Chapter of Women on Snow. The fire department has purchased a RESCUEBoggan, built by Equinox Industries in Winnipeg. The Women on Snow donation covered the entire cost of the unit.

"We thought it was an important place to put \$3,000," said Marj Kennedy of the local Women on Snow chapter.

The RESCUEBoggan will be used to transport accident victims from areas accessible by snowmobile or ATV. The unit will eventually be equipped with an accessory wheel assembly, which will make it suitable for year-round rescues. It includes a full stretcher and backboard.

An ad hoc committee, called Haliburton County Rescue Sleighs, was formed about a year ago. Its mandate is to see that such rescue equipment is available to all of Haliburton County's fire departments.

## Accident victim takes personal interest

Andy Chvedukas, a Metro Toronto police officer and

Haliburton Lake cottager, knows first-hand the value of such a sleigh. He was the victim of a snowmobile accident in March of 1996. The accident occurred north of Haliburton Lake, toward Whitney. Chvedukas says a ski on his machine caught an obstacle and he was thrown against a tree, fracturing his pelvis, rupturing his spleen and severing an artery.

Luckily for Chvedukas, the trail was accessible by a small four wheel drive pickup. He was lifted into the bed of the pickup on an old door, which doubled as a makeshift stretcher, and transported to a waiting ambulance. He still walks with a cane, almost a year and a half after the accident.

"When I was recovering from the accident, I realized there were no rescue vehicles in the county (for injuries sustained in areas inaccessible by ambulance)," he said.

Chvedukas decided he was going to try to do something so future accident victims would have access to better equipment. He was put in contact with the newly formed Haliburton County Rescue Sleighs committee by Mark Lester. As an active member of that

(more on page 5)

Dorothea Casper of Cincinnati, Ohio and Mary Wunker of Miners Bay get a closer look at one of the exhibits during the annual Minden and District Horticultural Society Flower Show. The show was held Thursday and Friday at the Minden Community Centre. Despite a long dry spell, the local gardens provided a bountiful crop of blooms and vegetables. For a report on the annual show and a list of this year's winners, please turn to page three.

## Five others injured

# HHSS student killed in head-on crash

A popular HHSS student is dead following a two car crash on Highway 118 six kilometres west of Haliburton early Saturday morning. Robert Sisson, 18, of West Guilford, died when the vehicle in which he was a passenger collided head-on with a pick-up truck at about 3:30 a.m.

The 1997 Lumina was being driven by Donald Todd, 18, of Minden. Other passengers included 15 year old Mike Morissette of Haliburton and 18 year old Megan Winsley of Haliburton. Sisson and Morissette were passengers in the rear seat of the vehicle. Morissette suffered serious injuries and was listed in critical but stable condition in Sunnybrook Hospital.

Todd and Winsley were taken to Haliburton Hospital, treated for minor

injuries and released.

The driver of the Chevrolet pick-up truck was Terry McIlmoyle, who had just turned 40 the day before, of Fraserville, Ontario. He was also taken to Sunnybrook Hospital in Toronto where he was listed in critical but stable condition. A passenger, Allen Bolduc, 29, of Oshawa, was treated at Haliburton Hospital and released.

Police believe that alcohol may have been a contributing factor in the accident and charges are pending. Constable Robert Orlowski is the investigat-

ing officer.

It is believed the youths were taking Sisson to his home east of West Guilford when the collision occurred.

Bob Sisson

Sisson was one of the student organizers of a teen music and art festival, LotusFest, and had been involved in preparing for the event later that day. He was also a member of one of the bands which was scheduled to appear. While his death had an impact on the atmosphere at the concert site, the festival went ahead as planned. "Bob would have wanted it that way," one of his fellow organizers said.

Bob Sisson had just completed Grade 12 at HHSS and was well-known throughout the school. He was probably best known for his theatrical work, having appeared in many student productions, including the recent staging of the musical Anne of Green Gables. He had an easy-going manner, both on and off the stage, that gave him a bubbly personality that was appreciated by both adults and his peers.

He is survived by his parents, Martin and Victoria Sisson of West Guilford and brother Alexander and sister Mary, grandparents, Donald and Marjorie Sisson of Minden and Isobel Small of Meaford. Funeral arrangements are being handled by the Gordon A. Monk Funeral Home, Minden. (See announcement on page 27 for details.)

# Doug Schell resigns CBO post

The Municipality of Anson, Hindon and Minden is without a full-time chief building official/by-law enforcement officer. Doug Schell, who held the position since February of 1994, resigned on August 1. Schell served as acting CBO and by-law officer for four months prior to that and as assistant from January of

1993.

"I was tired and unhappy with the way things were going," Schell said. "Tired of the small-town politics. It was time to move on."

Schell said he was the seventh CBO/by-law officer since his father, Dick Schell, left the job in 1986.

"I enjoyed the work and working with people," Schell said.

He plans to stay in Minden.

Council members of the municipality were taken by surprise when Schell resigned.

"We weren't expecting it," said Reeve Jeanne Anthon. "We invested in a local person and we thought everything was going well."

Anthon said that Schell wasn't specific about why he resigned, other than choosing another career option.

"I think we're all disappointed that it didn't work out."

The municipality is advertising for a new CBO/by-law officer. In the meantime, Ernie Roylance, who holds that position with Lutterworth Township, has been contracted to help at Anson, Hindon and Minden

(more on page 5)

## July weather

by Phil Graham

|                                   | C       | F      |
|-----------------------------------|---------|--------|
| Average high                      | 25.6    | 78.0   |
| Average low                       | 11.3    | 52.3   |
| Average for the month             | 18.4    | 65.1   |
| Average for last July             | 17.8    | 64.0   |
| Highest temperature - July 14     | 31.0    | 87.8   |
| Lowest temperature - July 21      | 5.0     | 41.0   |
| Rainfall                          | 62.8 mm | 2.4 in |
| Total precipitation for last July | 79.6 mm | 3.1 in |
| Total days with rain              | 5       |        |
| Total days mostly sunny           | 20      |        |
| Days with thunderstorms           | 0       |        |
| River water temperature July 31   | 23.0    | 73.4   |
| River water temp. last July 31    | 22.5    | 72.5   |

July was a great month, the way summer should be: sunny, warm days and cool nights. The temperature was one degree warmer than last July. There was not much rain. Any we had was during the first nine days of the month. Heavy rain July 8 accounted for most of our rain, two inches that day. There were no thunderstorms, usually we get several during July.

Trivia: The designated names for Atlantic hurricanes for 1997 (the first four have come and gone) are: Erika, Fabian, Grace, Henri, Isobel, Juan, Kate and Larry. There are more names but authorities hope there is no need to use them.

~ Weekend Reservations Recommended ~

The Directors of the Haliburton County Fair Board are asking all **MINDEN STOREFRONT BUSINESSES** to participate in a **CONTEST** to help promote the fair. **STOREFRONT BUSINESSES** are asked to **dress up your windows depicting the Wild Wild West** which is the theme of this year's parade and fair.

Wagon wheels, saddles, old fashioned clothing, bales of hay decorated with vegetables, corn stalks, sun flowers etc., and old pictures of past fair days are just a few ideas that might help you to get started. Use your imagination and we are sure that you will have great fun while helping to increase the awareness of this County event.

**Judging will take place August 13th - 15th** with the first place winner receiving a trophy and the second and third place winners receiving a framed certificate. For further information, Gwen Robinson at 286-1203.

# Society just keeps on growing

by Margot Ziorjen

A great crowd found the Minden Community Centre filled with a kaleidoscope of colours and fragrances Thursday evening. It was the opening evening of the Minden and District Horticultural Society's eighteenth annual Flower Show, this year called *Blooms and Butterflies*. Fabulous collections of flowers dried and fresh, vegetables and a combination thereof, (even red tomatoes!), photographs and painted items pertaining to gardening - enviable talents at work - filled the hall for all to admire.

One can only imagine how impressive a competitor's whole garden must be, where these truly amazing specimens originated.

The comment heard most often had to be: "It's a wonder that in this drought anything survived in the gardens." Obviously watering cans were pressed into service and lovingly laced liquids were administered.... lots and lots of times.

Various categories were without entries, most probably due to the very late start this season. But then, gardeners always come up against some natural obstacles and with much loving care and inventiveness somehow succeed in making their gardens survive.

The exhibitor with the most points over all was Anna Holloway. A lovely hand-painted Lazy Susan was Mrs. Holloway's prize, painted and donated by (you guessed it!) Mrs. Holloway. She very graciously donated it back to the Society to be used for their benefit. Runner-up with most points was Evelyn Trepanier. Most points by a new exhibitor were earned by Nancy Garbutt. Con-

gratulations to these ladies and every exhibitor are in order. And, of course, our best to the committee members Lorna Roland, Elizabeth Carrell, Illa Cooper, Ruth Hamilton, Marion Hill, Anna Holloway and Reg Holloway (convenors), Evelyn Trepanier, all of whom once again organized a show to be proud of.

Lorna Roland, president of the Society, presented a "Service Award" to Jean Robson for 10 very dedicated years of participation in which she served as membership convenor, Vice-President, President, organizer of bus trips, flower shows, and attended 4 O.H.A. conventions.

It's a record-breaking year for the Society. After an extensive membership drive in the spring there are now 294 members (162 last year). At the show 37 exhibitors presented 348 entries. This compares with 26 exhibitors last year with 235 entries. Anyone who is interested in becoming a member is welcome to attend any of the meetings held the first Tuesday of every month at 7:30 p.m. at Hyland Crest. Many interesting speakers and a great exchange of ideas make these evenings an interesting outing.

It was reported that the second day of the Flower Show was also attended by a record-breaking crowd. (Word must have leaked out, that a scrumptious English cream tea was being served.) Residents from Hyland Crest also had an opportunity to visit the show. It was enjoyed by all!

Also, once again the town is a more beautiful place due to the society's members' planting efforts. Yes, it's truly appreciated.

Jean Robson, left, was presented with the Service Award for her hard work for the Minden and District Horticultural Society. President Lorna Roland made the presentation on behalf of the members at the annual flower show this past week at the Minden Community Centre.

## This year's winners

The following are the results from the competition at the eighteenth annual Flower Show, *Blooms and Butterflies*, sponsored by the Minden and District Horticultural Society. The names are listed in the order of placing.

### Flowers

Ageratum: Clara Warren; Ruth Hamilton.

Begonia: Lynn Hancock; Illa Cooper; Carol Ward; Clara Warren.

Clematis: Evelyn Trepanier; Susan Bennett; Jean Robson, Clara Warren.

Cleome: Marion Thomas; Anna Holloway; Illa Cooper.

Cosmos, white pink or rose, 3 sprays: Lynn Hancock; Clara Warren; Evelyn Trepanier; Marion Hill.

Cosmos, orange to red, 5 blooms: Illa Cooper; Evelyn Trepanier.

Dahlias: Marion Thomas; Marion Robinson.

Geranium: Marion Thomas; Jean

Robson; Clara Warren; Lynn Hancock.

Cone Flower: Clara Warren; Hazel Maxwell; Jean Cox.

Gladiolus, any colour one spike: Anna Holloway.

Gloriosa Daisy: Evelyn Trepanier; Jean Cox; Jean Robson; Clara Warren.

Cornflower: Evelyn Trepanier; Clara Warren; Marion Hill.

Lily, tiger: Evelyn Trepanier, Jean Cox; Clara Warren; Pat Walton.

Lily, any other variety: Susan Bennett; Marion Thomas; Evelyn Trepanier; Clara Warren and Marion Hill.

Marigold, large: Pat Bradbury; Clara Warren.

Marigold, medium: Jean Cox; Marion Thomas; Illa Cooper; Evelyn Trepanier.

Marigold, small: Marion Thomas; Clara Warren; Marion Hill; Evelyn Trepanier and Jean Cox.

Marigold, single: Evelyn Trepanier; (more on page 17)

Lois Etherington Betteridge has been named to the Order of Canada. The silversmith, while honoured by the award, spent last week where she always has for the past 16 years, teaching a class at the School of Fine Arts.

## SSFC arts teacher named to Order of Canada

by Misty Bennett

It seems only the best can teach at Sir Sanford Fleming College's School of Fine Arts. Order of Canada recipient Lois Etherington Betteridge taught a silversmithing course at the college last week, as she has done for 16 years.

Betteridge is being honoured for her outstanding artistic contributions, contributions which she has made and continues to make with her work in silver and gold. She has been a silversmith for 44 years and has received a number of awards for her work although none quite as prestigious as the Order of Canada.

The award will be presented to Betteridge in one of two ceremonies taking place either in late October or next February.

"I've received the badge (lapel size pin) but I haven't been to the Governor General's yet nor been presented with the actual award," said Betteridge.

There are 70 recipients of the Order of Canada who will receive their award at one of the two ceremonies. Betteridge says the group is an eclectic mix of professions, although there seems to be a number of social workers being honoured as well as lawyers. However, a wide variety of vocations are represented.

"I'm glad to know that I'm being honoured not because it's a political thing, the award comes from the Governor General, it's not because I'm Conservative, or Liberal or NDP," said Betteridge.

She was nominated by the Canadian Crafts

Council as well as another individual who has not been identified. Following the nomination, a committee makes a final decision on the recipients.

Betteridge has taught two courses in her craft for the college this summer alone and has a portfolio of between 10 and 12 courses in all that she offers to students through Sir Sanford Fleming.

Aside from her teaching at Sir Sanford, Betteridge has taught in art schools in Halifax, New Brunswick and Ontario as well as teaching in the Midlands and the North of England.

Members of the Haliburton chapter of Women on Snow and Stanhope Fire Department personnel are seen here with the new RESCUEBoggan, which was recently acquired. The Women on Snow donated \$3,000, which covered the cost of the rescue sleigh. Pictured above, left to right, are: Jean Campbell, Steve Archibald, Joan Sobil, Myrlene Foster, Susan Thomas, Paula Thorn, Cindy LaBrie, John Hogg, Cathy Stephens, Marj Kennedy, Bob Pollard, Nigel Atkinson and Dan Stiver.

## Personal experience spurs involvement

(from page one)

group, Chvedukas is in the process of approaching service clubs and other organizations to drum up support for the cause. The goal is to acquire a RESCUEBoggan for each of the county's five fire departments.

With trained fire personnel to operate the snowmobile which pulls the sleigh, ambulance attendants are now authorized to accompany the rescue crew to remote sites. Chvedukas credits Victoria-Haliburton MPP Chris Hodgson and County Warden Murray Fearrey with helping to change regulations which prevented ambulance at-

tendants from attending remote rescues.

"Their letters to the Ministry of Health helped," he said.

Chvedukas has spoken to the Haliburton County Snowmobile Association and he says the response was very positive. A

Peter Schleifenbaum, owner of the Haliburton Forest and Wildlife Reserve, was also very encouraging, Chvedukas said.

"I'd like to see Haliburton County lead the way -- to show what should be done and what

needed, he said. "We have a fantastic trail system here in Haliburton County. We need to make them safer."

## Council scrambles to fill vacancy

(from page 2)

two days a week. He will be in the Minden office Tuesdays and Thursdays from 8:30 a.m. to 12:30 p.m. Inspections will be co-ordinated to fit in with his Lutterworth responsibilities.

"We don't want to jeopardize any building projects," Anthon said.

Sherri Rae, AH&M's planning assistant, will assist with the issuance of building permits.

"I have the feeling that neighbouring municipalities will help out in a crunch," Anthon said.

## Editorial Letters

### Common sense

There are probably few who would disagree with the assertion that it has been a great summer. Ideal weather conditions, an economy that is on the upswing and a positive attitude on the part of most everyone has helped to make this holiday season even sunnier than the weatherman has predicted. We have been forced to temper that bright outlook during the last couple of weeks however as the area experienced a number of fatal vehicle accidents.

Individuals involved or not, we can't help but feel the anguish that those close to the victims must experience when tragedy strikes, as it has so dramatically during the past two weeks. The sympathy offered now seems so miniscule beside the enormity of the events that has overtaken the families involved. However, they may find some comfort in knowing that the community as a whole shares their grief and is helping them to carry the burden.

be offered to ensure senseless deaths like these do not happen again. Most have been heard before and have been repeated endless times.

In the end, the message is clear: tragedies like those we have seen recently could be avoided if individuals were thoughtful and caring and used common sense to guide their actions. We should ask nothing less of our neighbours and expect nothing less of ourselves.

Whether we personally know the

There are many 'solutions' that could

jb

### Volunteer firefighters appreciated

Editor:

I am writing this letter to express my appreciation to the ten volunteer members of the Stanhope Fire Department who assisted at the accident scene on Highway 35 at Halls Lake on Saturday, August 2.

This tragic accident, which took the lives of two female pedestrians, occurred at approximately 11:30 a.m., and resulted in Highway 35 being closed for about six hours. During this time, with the temperature as high as 29 C, these volunteers assisted the ambulance personnel with the injured and directed traffic around the investigation scene, while their spouses supplied food and cold drinks to those involved.

All too often we take the support and services of the fire department volunteers for

granted. However, without their assistance at that time, it would have been impossible to conduct a thorough investigation.

On behalf of the members of the Coboconk and Minden Ontario Provincial Police detachments, I am extending our personal thanks to these men and women who gave their time away from their fami-

lies and/or employment to assist us at such an unfortunate incident.

**Sr. Constable Frank Sokol,  
Technical Traffic Collision Investigator,  
Ontario Provincial Police,  
Coboconk Detachment.**

### What a great weekend

Editor:

Having a cottage in Minden has always made for entertaining weekends away from the city. This past weekend was made truly exciting by the World Cup.

Our cottage Association had asked for volunteers to billet athletes and people associated with the World Cup for the weekend. As our cottage is on Horseshoe Lake, at the mouth of the dam, the Chairman of ICF was billeted with us for the weekend. His son Eric Giddons, of the U.S. team, visited with other members of the team. Meeting and getting to know these athletes made the races very exciting for all of us.

These athletes work long and hard for little or no recognition and as we have one of the best natural water sites in the world I would like to encourage other cottagers in the area to support the Wild Water Preserve and to consider hosting an athlete at the next competition.

The World Cup of 1997 is an event my children will always remember. We have made new friends, and truly learned a lot.

Thank you to Craig Peabody for introducing us to Don Giddons and the U.S. team.

safe and smooth way for me to take time out to gather information and make some decisions. Each volunteer had her own unique way of helping. It is most comforting to know that the staff and volunteers respect our privacy.

I would really like to thank everyone for taking the time to listen and talk to me. They understood what I was going through and respected my decisions. Keep up the good work.

Name withheld

**Joan Carleton,  
Minden**

### Safe and secure

Editor:

Recently my three children and I had a stay at SIRCH. The staff turned my negative situation into a positive one. What a learning experience!

When we arrived, we felt so welcome. The staff and volunteers were great with the kids and very understanding. The kids loved it, with the big play room, games and meeting new friends. SIRCH was like our safe home away from home, where we could be ourselves.

In my opinion, SIRCH provided the most

# Toxic waste or dust suppressant?

## World Wildlife Fund says...

Toxic industrial waste is routinely being sprayed on many rural roads in Ontario, and World Wildlife Fund Canada (WWF) is raising concerns about its effects on wildlife and ecosystems.

Over 90 Ontario townships within a few hour's drive of Domtar's cardboard mill in Trenton are using a sticky, black, odorous substance called Dombind as a dust suppressant on their gravel roads. Dombind is actually the concentrated waste from the mill, commonly called black liquor. While Domtar has given this product its own environmental seal of approval, the company has agreed with the Ontario Ministry of Environment and Energy to ongoing independent testing. That analysis indicates that Dombind is a toxic soup of contaminants including dioxins and furans, high levels of phenols, and other chemicals which are released during the pulping process, as well as large quantities of sodium from the pulping chemicals used. Laboratory tests on aquatic organisms shows it is highly toxic even when diluted, and can rob waterways of oxygen.

Dombind is offered free to townships willing to haul it, and is sprayed from tanker trucks onto gravel roads. While Domtar has responded to provincial pollution regulations and stopped dumping its effluent into the Trent River and Lake Ontario, WWF does not believe that disposing of contaminated effluent on rural roads is a sound alternative. WWF has met with Domtar to discuss these concerns, and to explore alternatives to dealing with the black liquor in a more environmentally-responsible manner. Although the company has been looking at several options, so far no commitment has been made.

A growing number of people are concerned about the effects of Dombind on water quality, sensitive wetlands, wildlife, crops, pets, drinking water quality and their own health. Due to its unsightly appearance and unpleasant odour, rural residents and cottagers are complaining that their use and enjoyment of rural areas is being limited. In response, WWF has just released an Action Alert and web site page about Dombind helping citizens petition their local townships to stop using it on their roads.

(more on page 8)

## Domtar says....

Following unfounded allegations by the World Wildlife Fund, Domtar has reaffirmed its position that Dombind is a proven road binder and dust suppressant that meets the exacting standards of the Ontario Ministry of the Environment and Energy and is environmentally safe by any measure.

Dombind is a brown liquid with a faint odour of burnt sugar that is used to keep dust down on gravel roads. The application of Dombind improves road safety, preserves the health of livestock and reduces crop damage. Once applied, Dombind dries within hours to provide a hard stable road surface. It has been produced at Domtar's Trenton packaging mill for more than 40 years by cooking hardwood chips with steam and a solution of sodium carbonate (baking soda).

Dombind is a completely biodegradable product. Regular testing shows that it contains less heavy metal, dioxins and other contaminants than naturally occurring soil," said Robert Rowbottom, Director of Environment and Technical Matters for Domtar's Packaging Division. "The dioxins found in Dombind come from recycled fiber which has picked it up through contact with the ambient environment, mostly from dust in the air."

Dombind has proven to be such an effective product that it is now used by more than 80 municipalities throughout Ontario. Domtar has a full-time professional with more than 10 years experience overseeing the application of Dombind to Municipalities.

"Our customized application program and on-site applications ensure the safe use and handling of this product," Rowbottom said. "Our application guidelines and training at the township level are part of our commitment to using Dombind in an environmentally sound manner."

Owned and operated by Domtar, the Trenton mill employs 130 people. It produces 150,000 tonnes of corrugating medium each year and annually contributes more than \$10 million to the local community. In early 1996 at the Trenton mill, Domtar officially launched the first North American effluent closed-loop

# Student humour in a jocular vein

## Kids say the darndest things

Art Linkletter book title

They certainly do - and nobody knows better than the star-crossed professionals who get to spend most of their working hours with our kids - their teachers. Teachers get to mark tests and examinations, and that's where the teachers learn that some kids don't retain information quite as efficiently as others. Hence the Student Blooper Phenomenon. Herewith a collection of some of the more outrageous howlers committed to paper by our little darlings.

### SCIENCE WITH A VENGEANCE

- We get our temperature in different ways. Either fairinheit, cellcius, or centipede.

- One horsepower is the amount of energy it takes to drag a horse 500 feet in one second.

- A molecule is so small it can't be observed by the naked observer.

Famous people of science don't escape the swipe of Bloopism. One student wrote that The Law of Gravity was passed by Isaac Newton, while another insisted that the Russian Pavlov was famous for studying

the salvation of dogs.

Young students seem to have an even shakier grasp of biology. In a class report one child wrote "our biology class went out to explore the swamp and collect little orgasms." And another juvenile chronicler recorded "In Biology today, we digested a frog."

You want to hope that these kids don't choose a medical career:

- The big artery in your neck is the jocular vein.
- The pelvis protects the gentiles.
- A permanent set of teeth consists of eight canines, two molars and eight cuspidors.

- The heart beats faster when you are younger, average when you are middle age, hardly at all when you are old, and not at all when you are dead.

### THE ZOUNDS OF MUSIC

- Music sung by two people is called a duel.

- A harp is a nude piano.
- My favorite composer is an opus.
- Agnus Dei was a woman composer famous for her church music.
- A very liked piece is the Bronze Lullaby.

### PUTTING THE LITTER IN LITERATURE

- Shakespeare was famous for writing and performing, tragedies, comedies and hysterectomies.

- Shakespeare wrote his plays in Islamic pentameter.

- A great Jewish leader in Scotland was Rabbi Burns.

- I like the story "The Last of the Moccasins".

- In Ibsen's "Ghosts", Oswald dies of congenial syphilis.

- Jake Barnes, in "The Sun Also Rises" was injured in the groin region, and was impudent for the rest of his life.

And then of course there's history - ancient and modern. One student noted that Rome was invaded by The Ballbearings. Another explained that the Bolshevik Party was led by John Lennon.

And my favourite - a student commenting on fashion in Ancient Egypt:

- Early Egyptian women wore a garment called a calasirus. It was a sheer dress which started beneath the breasts which hung to the floor.

Man, if that didn't make Egyptian guys impudent, nothing would.

Etcetera

Arthur Black

# WWF says....

(from page 7)

A water soluble product, Dombind washes off roads into ditches, fields, wetlands and waterways when it rains. The cost effectiveness of Dombind is questionable. Under a variety of road and weather conditions, multiple applications are needed to get the same dust suppressant effectiveness as one pass of calcium chloride. While it is provided free, townships are paying for the road grading, labour and trucking costs for the repeated applications necessary to do the job. The potential cost of having to clean up or replace contaminated drinking water, fish and wildlife habitat, farmlands and livestock after years of the product's use are harder to measure and have not been documented.

"Dumping industrial waste too contaminated for our lakes onto country roads isn't an acceptable solution," said Julia Langer, WWF Canada's Director of Wildlife Toxicology. "Rural town-

ships may think a free dust suppressant is a great deal, but the real costs to the environment and health may far outweigh any savings.

Rural roads and abutting habitats are surprisingly ecologically rich. The soft sand and gravel shoulders often serve as nurseries for various turtle species. Herons and other wetland birds take advantage of the road edges and ditches to search for food. Streams and wetlands through which the roads pass are essential egg laying habitat for fish and waterfowl. Deer, rabbits, porcupines, as well as other wildlife and livestock use and travel through the fields, pastures and woodlands found on either sides of rural roads. In addition, backroads are essential transportation routes for farm and livestock operations, and are used regularly by rural residents and cottagers, including children and their pets, hikers, cyclists and joggers.

Anyone interested in obtaining the WWF Action Alert can contact WWF at 1-800-26-PANDA or visit the WWF website at <http://www.wwfcanada.org/dombind/index.html>.

# Domtar says...

(from page 7)

system for a mill of its type resulting in the complete elimination of effluents into the Trent River. Absolutely no dioxins are produced at the Trenton mill.

For more information contact: Gary Hodgins Mill Manager, telephone: 613-965-4051 or visit the Domtar website at: <http://www.domtar.com/domtar/english/domhome.htm>

Minden Minor Ball participants from the 1997 season are eligible for the Minden Minor Softball logo contest. Contact Grant Shaw at 286-4240 for details

**TOP ANGLERS:** Jordan Kellett, Jason Moxam and Matt Billings were first prize winners of the Minden Sidewalk Sale Rock Bass Derby.

## 11 pounds nets first prize

The top three teams in the annual Minden Sidewalk sale Rock Bass Derby weighed in a total of more than 20 pounds of fish.

The first place team, all grandsons of Spike and Irene Moxam of Minden, weighed in a total of 11 1/4 pounds of rock bass. The trio of anglers included Jordan Kellett of Vancouver, Jason Moxam of Sioux Lookout and Matt Billings of Gooderham. Kellett caught the biggest fish of the day, a 9 3/4 inch rock

bass which earned a \$10 cash prize from Gord Monk.

The second place team included Carl, Sheila, Bradley and Brandon Tripp of Minden. They weighed in 5 1/16 pounds.

Third went to Matt and Ben Batten of Uxbridge with four pounds.

Prizes for the annual three-hour rock bass derby were provided by Minden Live Bait and Tackle, Minden Home Hardware and Stedman's.

## Declining membership causes concern

# Squash Club in danger of closing

The Highlands Squash Club is in danger of collapse. Over the past several years, the club's membership has declined to the point where the current membership fees will no longer pay the club's utility bills.

"We need at least 40 members to break even," said club secretary Sandi Giles.

Current membership fees are \$250 for the season, with a discount for family memberships. That gives members full usage of the courts. Members are provided with keys so they can use the facility any time.

In addition, the club runs about three tournaments per year and has house league matches every Monday and Wednesday evening, starting at 5:40.

"It's a great way to exercise and stay in shape," Giles said. "It's an easy sport to learn and we have players with all different levels of skill, so you can usually find someone at your level to play."

By comparison, the cost at the Highlands Squash Club is less than a third of what members pay in Barrie. Giles says

she isn't sure why membership at the local club has dropped. Most of the former members she has talked to cite a lack of time.

The club could continue to operate if the current fees were doubled, but Giles said that would likely result in even more members pulling out.

In the 1991-92 season, the club boasted a membership of more than 60 people. That number has fallen to 22 paying members in the 1996-97 season.

The 1997-98 season is set to start early in September, but unless the

membership numbers take a dramatic upswing, the club will be closing its doors.

"It's a good atmosphere," Giles said. "I'd hate to see the town lose it."

The Highlands Squash Club is lo-

cated adjacent to the Dysart Community Centre in Haliburton. A meeting is planned for Wednesday to determine if there is enough interest to keep the club operating.

For more information, contact club president JD Bishop at 754-3238 or Sandi Giles at 457-2683.

**"We need at least 40 members to break even": club secretary Sandi Giles**

# Ready for Raptors yet?

A group of local basketball enthusiasts entered the Toronto Raptors three on three contest at Queen's Park on July 26. The foursome, including captain Kirk Smith, Adam Hopps, Wayne Patterson and sub Jarrett Aggett, obtained sponsorship from the Minden Lions Club and the Minden Outreach Centre for the \$100 entry fee. A number of local businesses, organizations and individuals, including Highland Communications, Sonny's Variety, Dollo's IGA, Leitha's Sweets and Treats, Highland Pharmacy, Headlines, Rawn Brown, Beckers, Stedman's, The Times, Doctor Wu, Stu Brandon, Lil' Bitza Bargains, Jerry's Barber Shop, Gina's Shear Talent, the Art Gallery, Minden Fruit Market, Minden Drug Store, Novel Ideas, Minden Book store, McMahon Feeds N' Needs, Kathy Adams, Liz Bloomfield and Godfather's Pizza also provided funding to buy jerseys, help pay travel costs to the event and other expenses.

To advance in the tournament, the local team was required to win two of its first three games.

The Minden boys called themselves Fat Session. They ran into some tough opposition, losing their first two games by scores of 16-9 and 16-11. They won the third game by default.

In spite of the initial

Raptor 3 on 3 competitors Kirk Smith, Adam Hopps (front l to r) Jarrett Aggett and Wayne Patterson (back l to r) say they had a great time at the competition.

losses, the boys say they had a great time at the event. They competed in the 15 to 18 age group. The event drew about 350 teams from across the province.

### THE CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON AND MINDEN

requires a

#### CHIEF BUILDING OFFICIAL AND MUNICIPAL LAW ENFORCEMENT OFFICER

##### DUTIES

The successful applicant will be responsible for the administration of the Building and By-law Department, administration and enforcement of by-laws, codes, regulations, animal control and lottery licensing. Also acts as Chief Building Official as defined in the Ontario Building Code and other related duties as assigned.

##### QUALIFICATIONS

The successful applicant will possess a general knowledge of construction, good verbal and written communication skills and the aptitude to interpret and administer various by-laws, codes and regulations. The successful applicant will have a good knowledge of the Building Code, Plumbing Code, Planning Act, Zoning By-laws and Official Plans.

Applicants should have a minimum of three (3) years experience in the building field and one (1) year in a supervisory capacity. Preference will be given to those applicants who are members of the Ontario Building Official's Association and have attained the title of CBCO.

##### REMUNERATION

Salary will be commensurate with qualifications and experience, and also includes an employee benefit package.

Qualified applicants are invited to submit a resume to the undersigned by 4:00 p.m. on Friday, August 29, 1997.

Please mark envelopes ("Chief Building Official").

We thank all applicants who submit a resume and advise that only those selected for an interview will be acknowledged. Personal information is collected under the authority of The Municipal Act and is used to determine eligibility for employment.

(Ms.) Tammy McKelvey, A.M.C.T.

# Highlands fire rating extreme

Haliburton residents are experiencing an extraordinary amount of aircraft traffic from the Ministry of Natural Resources fire centre on the shore of Head Lake.

Ron MacKenzie of the fire centre said the helicopter traffic is to service fire crews. Food and other supplies are being delivered.

The fire hazard rating is extreme," MacKenzie said late last week. "It's just like corn flakes out there."

At that time there were nine fires burning within the centre's service area. Seven of those were in the Bancroft area, one in the Pembroke area and one in Parry Sound.

Two of the Bancroft area fires were being handled by municipal fire departments as well as the one at Pembroke, which started in a lumber mill and spread to consume about one hectare of adjacent forest.

Thankfully, all of those fires were contained before they could consume large acreages. MacKenzie said that the nine fires have burned an estimated 10 to 15

hectares of forest.

He added that an average of five to 10 fires are reported daily.

Temperature is making a big difference," MacKenzie said. "There has been a swing from lightning fires to recreational fires with the cooler weather."

He pointed out that fire restrictions are in effect at least until midnight on August 13. That means no open flames, with a few exceptions, until the fire restriction is lifted. The exceptions are at organized campgrounds, including some areas of provincial parks. The restriction applies to all "outback" camp sites.

MacKenzie noted that if anyone needs clarification about the definition of organized campgrounds or more specific information, they should contact the fire centre at 457-2107. Any observation of unauthorized burning can also be reported at that number.

## AN ART AUCTION

Thursday evening at PineStone Resort raised close to \$10,000 for a scholarship fund for the School of Fine Arts. All the items on the block were donated by school's instructors. Chuck O'Neill, one of the volunteers helping with the sale, displays a woven basket created by Ankaret Dean. The item came complete with 12 garlic bulbs.

## Committee formed to improve hunting opportunities

Natural Resources Minister Chris Hodgson has established a Big Game Management Advisory Committee to improve hunting opportunities in Ontario.

"The committee will assist the ministry in its decisions on big game species management," Hodgson said. "The committee's top priority is to make sure that the allocation of hunting opportunities is done on a fair and equitable basis."

Committee members have been selected from provincial organizations and from MNR's Northwest, Northeast and the South-Central Regions. The committee members are: Jack Newton of Huntsville; Dave Ankney of London; Doug Ogston of Lively, near Sudbury; Charles Alexander of Dryden; Bud Dickson of Atikokan; Gord Mitchell of Field, near Sturgeon Falls; and Howard Smith of the MNR.

Committee members must all be qualified hunters. The committee will focus on moose, white-tailed deer and black bear. It may also look at other big game species, such as caribou and elk, if their management impacts on the welfare of the three focus species.

The committee's mandate is to advise MNR on big game management and hunting issues. It will help implement the recommendations that came from the reviews of the moose and controlled deer hunts. The committee may also assist in or undertake reviews of mandatory big game harvest reporting and the existing Wildlife Management Unit boundaries.

# Planning committee targets specifics

-- submitted --

At the first Strategic Planning public consultation held by the County on July 24, the theme of sustainability was given a high profile in the initial vision statement. Sustainable development does not imply 'no growth', it implies change that respects the integrity of the natural environment and that integrates

the different segments of our community more effectively into the economic, social and cultural life of the Haliburton County community.

Appropriate economic development is, therefore, a key tool in generating a higher quality of life for both the permanent and seasonal residents of the County. The second set of public meetings will address, among other issues, the topic 'how to generate, manage and

spread the benefits of appropriate economic development' which underpins so many aspects of a 'healthy community'.

The County's Strategic Planning Committee and the County needs the input of as many citizens as possible. We have already had an excellent start with high attendance at the July 24th meeting. If you would like a copy of the summary report from this meeting, please call Tamara Wilbee at the County Office at 705-286-1333. Please plan to participate at the next set of meetings on August 21 at the Stanhope Firefighters' Hall.

These meetings will give you an opportunity to contribute to developing action plans in the following key areas.

1. The Wise Management and Protection of the Natural Environment and its Resources;
2. Creating and Maintaining a More Stable and Diversified Economic Base;
3. The Roles of Seniors and Retirees in the Community;
4. Transportation and Accessibility within Haliburton County;
5. Co-operation and County-wide Management and Planning.

There will be two sessions: the first runs from 2 p.m. to 5 p.m. while the second is from 6:30 p.m. to 9:30 p.m.

Please call Tamara Wilbee at the County office (705-286-1333) to indicate whether you will attend the afternoon or evening session (or both) and which discussion topic interests you. Flyers are also available at various locations throughout the County including your local municipal office and the County office (11 Newcastle Street, Minden). These flyers give more detail on the possible content of each discussion topic.

County of Haliburton Strategic Planning Committee  
- Jeanne Anthon, Jock Mavor, Doug Holman.

**LOTUSFEST:** A rock concert featuring teen bands proved to be a success this past weekend: Warm sunny weather and an appreciative audience helped to make the first Lotusfest Music and Arts Festival a popular attraction. The gathering, organized by a group of high school students, was held at Glebe Park in Haliburton. Above the group Chez Morrison entertains early Saturday evening.

HALIBURTON DISTRICT REAL ESTATE BOARD M.L.S. AWARD WINNER  
AND PRESIDENT'S AWARD WINNER!

A passenger in this Porsche 911 Turbo sustained serious injuries after the vehicle left Highway 121 just east of Minden. The driver, 31 year old Peter Wilson of Pickering, was westbound last Wednesday when he lost control of the vehicle and swerved into a ditch. The passenger, Dave Howell of Minden, suffered a broken collar bone and other minor injuries in the mishap. The driver has been charged with careless driving.

## Provincial government provides \$2/hour youth employment subsidy

The municipality of Anson, Hindon and Minden is taking advantage of the Ontario Ministry of Agriculture, Food and Rural Affairs program called the Rural Job Strategy. The Program is new this year and the mandate is to help young people find summer employment.

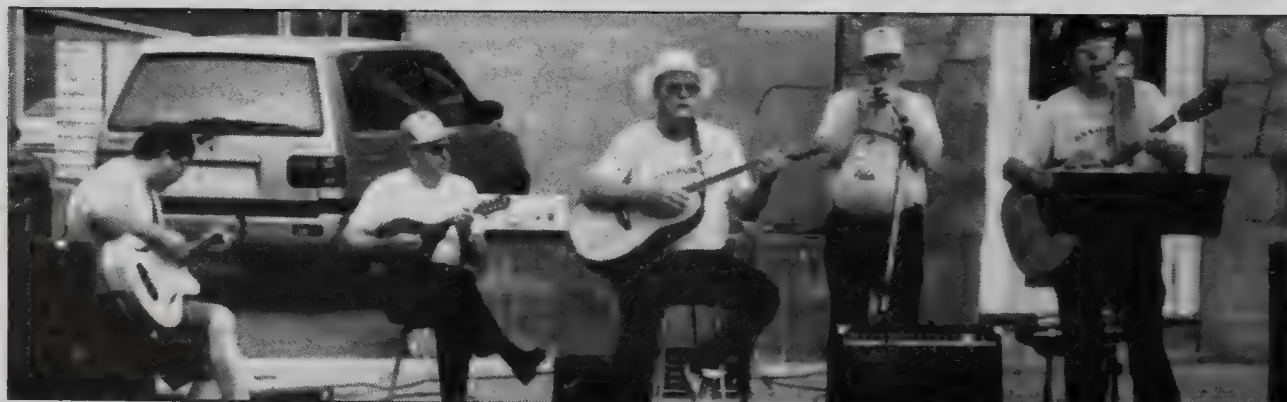

The provincial government has set aside \$3-million, which will be used to help create as many as 3,000 jobs for rural youth. Under the program, employers can create as many new positions as they wish and can hire youth for up to 16 weeks. All small businesses are eligible to apply for a \$2 per hour rebate on salary paid to young employees to a maximum of 35 hours per week. Along with businesses, municipal governments, non-profit and community organizations may also apply for the rebate.

The program is in effect between April 15 and September 30. It applies to all youth between the ages of

15 and 24 and to disabled youth from 15 to 29 years of age.

One stipulation that councillor Sinc Nesbitt adamantly disagrees with is that employers may not participate in the program by hiring immediate family members. Nesbitt termed the exclusion of family members discrimination. He noted that the same paper-work would have to be completed and the same rules would apply, so there is no reason why family members should be excluded.

The situation was discussed at the previous council meeting and reeve Jeanne Anthon said she would pass Nesbitt's concerns to government officials at the FOCA (Federation of Ontario Cottage Associations) meeting, which was between the two July AH&M council meetings. She reported that she did note those concerns, which generated some lively discussion at the FOCA meeting.

The Music by the Gull concert series returned Friday night with Bill Payne and the Grandfathers Four (plus one) providing the entertainment. The band featured, from the right, Bill Payne, Don Burch, Eldon Deacon, Charles Hadley and, helping out, Brian Moore. Teen rock and roll bands take to the stage next Friday at 7 p.m. with two groups, Arlo and Hard Wire. The free concerts are sponsored by Minden downtown merchants in co-operation with the Minden and District Lions Club.

# Thank You!

A special thanks goes out to Kawartha Dairy for the use of their freezer and donating the ice cream bars for the kids. Also to the Fair Board (Wayne & Ron Cox) for the use of the tent, it was greatly appreciated. To all of the food tent volunteers for giving up their time, and to Lil Bitza Bargain's for giving us a donation of \$100.00.

An extra special THANK-YOU to the coaches and the parents who helped throughout the season. A bigger thanks to the teenage and adult umpires for their time. Without everyone's help and co-operation during the season we could not have had such a successful year.

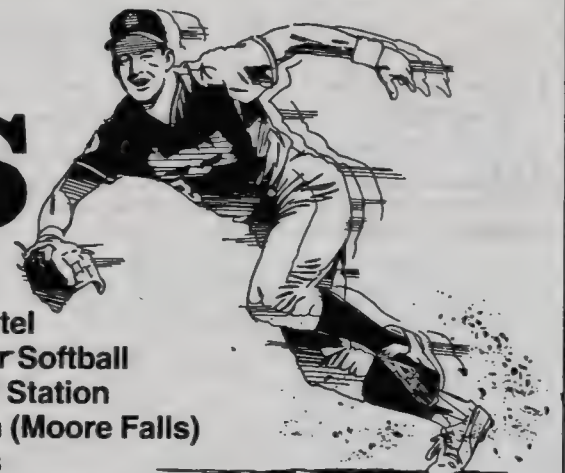

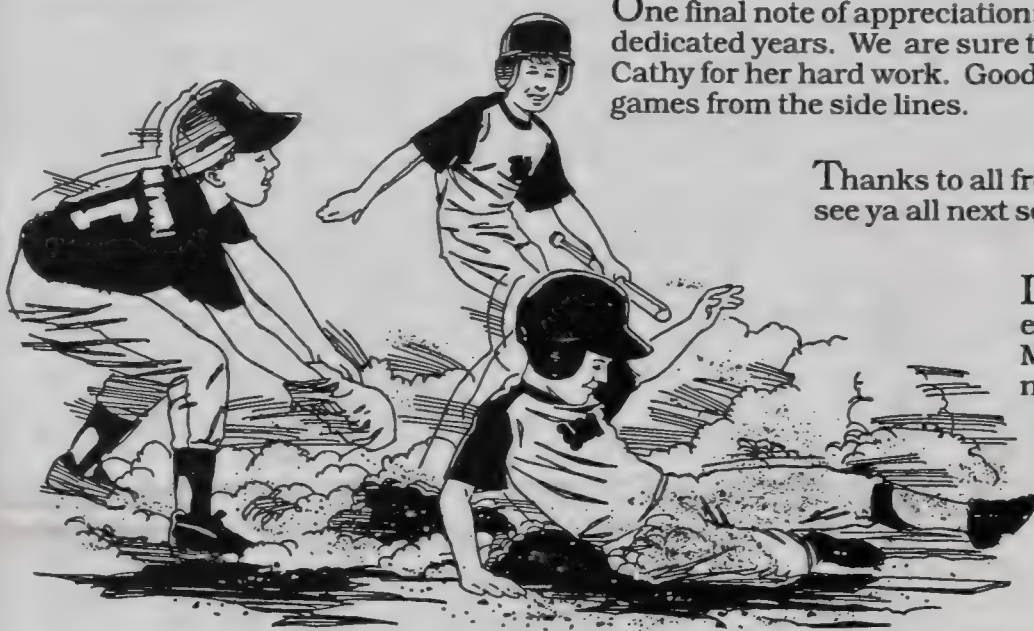

One final note of appreciation: we would like to thank Cathy Snell for all of her 7 dedicated years. We are sure that all of the baseball players over the years will remember Cathy for her hard work. Good-bye and we will see ya sitting on the benches enjoying the games from the side lines.

Thanks to all from the Board members 1997 of the Minden Minor Softball, see ya all next season.

Don't forget the Minden Minor Softball logo contest, entries are to be sent to Grant Shaw, Church Road, RR #1, Minden, Ontario KOM 2K0. The entries must be received no later than Friday, August 29, 1997.

### THANKS AGAIN TO EVERYONE

Grant & Sheila Shaw, Cathy Snell, Maggie Stromberg, Jean Draker, Cathy Arbour, John Muise, Val Lennox

Plus sign on door at night if a volunteer is present

## Welcome!

A friendly and informative welcome awaits drivers when they turn off Highway 35 onto Minden's Main Street, thanks to the efforts of John Pentney and Tom Prentice. The two are responsible for the eye-catching sign on the hill adjacent to Home Hardware lumber yard. The sign has four spots to promote upcoming events. John Pentney of Minden Home Hardware, donated the material and location for the sign while Tom Prentice Trucking carried out the landscaping at the site. Any group interested in using the sign to promote its event should see John at the hardware store.

(Observant readers will notice this photo was taken earlier this summer. The events being promoted are for early July.)

# Residents featured in fashion show

Sorry we missed you last week, but our volunteer editor took a few days holiday. Must catch up on our news.

July 25 - a great happy hour with the Grandfathers. This was followed by a quiet weekend. Gave us time to catch our breath before the week started again.

Monday the 28th was our fashion show. What a terrific turnout we had. Many residents attended, along with family and friends. Those who modelled thoroughly enjoyed themselves. Dressed up in lovely clothing, make-up by a representative of Mary Kay and their hair done by Mabel. Refreshments were served after. All in all, a fun afternoon. Our thanks to Kathy Harrison for sponsoring and providing the line of clothing, the volunteers who assisted, dietary staff who provided the goodies and the activity staff, for their help in the organizing of this event.

On Wednesday following, a bus left for a drive in Kinmount, Burnt River area, this made for a nice afternoon out. In the evening some of us enjoyed watching "Fly Away Home", which we found very interesting. Thursday was our monthly birthday tea party. This was served by the ladies of Kinmount Baptist Church. Our thanks to them. We always enjoy our tea parties.

Our Happy Hour on August 1 was made very enjoyable with the music of C & M Musicians. On Saturday Norma came by and volunteered her time with those residents who needed help with their veggie and flower gardens. In spite of our lack of rain, our little gardens are doing very well. Thank you Norma for your help.

On Sunday, August 3, Roland

A fashion show was held July 28 at the Hyland Crest Senior Citizens Home. Seen here in fine form is Winnie Barnum, one of the resident models for the show. The collection of clothing (Weekenders) was brought to the home by sales representative Kathy Harrison.

## Senior League

### The Roving Reporters

Sedgewick visited the family home in Minden. There to greet him were family from far and wide. They spent a few hours together, enjoying each other's company, before everyone returned home. The rest of us stayed here and enjoyed ice cream treats. Monday was the regular monthly visit of the Salvation Army with Mrs. McClintock on piano.

On Tuesday we happily remembered the Queen Mother's 97th birthday. What a great lady. A few of us remember earlier visits of the Queen Mother and King George VI to Canada, when the present Queen Elizabeth was just a little girl along with her sister, Princess Margaret. Those were great events for us back then.

On Wednesday, we had our barbecue (previously cancelled due to poor weather). What a great time that was with terrific food. It was lovely to eat in the garden area. Many thanks to the dietary staff, activity staff and volunteers who assisted. Also that day Nina Prentice had a visit from an old school chum, Fern, who was here from Lindsay.

We were sorry to hear of the passing of John Dicker in his 82nd year. Our sympathy to his family and friends. Also we said goodbye to Mary Longo, our physiotherapist who will be attending a teachers college in North Bay. We wish her success.

This afternoon, August 7, the Minden Legion will be serving at our tea party. We thank them for their time with us.

A happy birthday to Muriel Welch who will celebrate her 80th on August 15.

That's it! Have caught up on our news. Hope there is room in the paper for all this. Hope so. See you next week.

### THE CORPORATION OF THE TOWNSHIP OF LUTTERWORTH PUBLIC NOTICE

File # SR-4/96

**TAKE NOTICE** that the Council of the Municipal Corporation of the Township of Lutterworth, proposes to enact a by-law to stop up, close and convey to the abutting property owner a portion of the original allowance for road set out and described as follows:

**FIRSTLY:** ALL and singular those certain parcels or tracts of land and premises situate, lying and being in the Township of Lutterworth, in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of Davis Lake, lying in front of Part of Lot 10, Concession 3, and being more particularly described as Part 1 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R-6345.

**THE PROPOSED BY-LAW** will come before the said Council for consideration at its Regular Meeting at the Municipal Office, located three miles south of Minden on Highway #35, on the 14th day of August, 1997, at the hour of 4:00 p.m. and at that time, the Council will hear in person or by his or her counsel, solicitor or agent any person who claims that his or her land will be prejudicially affected and who applies to be heard.

**DATED** at the Township of Lutterworth this 10th day of July, 1997.

### HHHS

#### PROGRAM MANAGER/ COORDINATOR

#### SUPPORTIVE HOUSING PROGRAM

The Haliburton Highlands Health Services (HHHS) is an incorporated, non-profit organization, responsible for the development and management of a health system in the Haliburton Highlands.

As the sponsor of new supportive housing services in Haliburton County, HHHS is seeking a qualified, experienced person to fill this unique part-time position (approximately 20 hrs./week).

Reporting to the Executive Director of HHHS, the Program Manager/Coordinator will be responsible for all aspects of planning, implementation and evaluation of the supportive housing program. This includes duties related to case coordination, health promotion, staff supervision and managerial related functions.

We are looking for a creative, self-starter who possesses an educational background in the health and/or social services field. Experience in community development and working knowledge of the draft supportive housing policy is essential. Excellent communication, interpersonal and organizational skills are required. Knowledge of the aging process as well as previous experience working with people with physical disabilities is highly desirable. Candidates will require a valid drivers licence and access to a reliable vehicle.

Please forward your resume to our office no later than August 15, prior to 12:00 noon to:

Supportive Housing Hiring Team  
P.O. Box 569  
Minden, Ontario  
K0M 2K0  
fax: 705-286-4819

We thank all those who apply, however, only those selected for an interview will be contacted. Interviews will be held on August 22, 1997.

# Around the County Town

by Gord Graham (call 286-6506-- FAX 286-3460)

Sometimes reporters from even the most respected newspapers can run afoul with the English language. More examples from around the world:

• "Ladies were requested not to have children in the bar".

• "More than 100 sports cars were reported stolen by the Chief of Police last month".

• "New York woman released by officials after autopsy".

• "After he was led handcuffed into the courtroom, Judge Martin spoke to the defendant".

(More next week)

\*\*\*

You just have to know by now about all of the great happenings this summer within the confines of the Minden County Town Museum and Pioneer Community. Marvella Smith has sent out an alert about Wednesday, August 13. Starting at 11 a.m., you are invited to a scavenger hunt. So, get your group together (no more than 5 persons each please) and be prepared for some good old fashioned fun. Lists will be locked in a safe and will not be delivered to the grounds until the groups are ready to leave (at which time a sealed envelope will be given to the group leaders). Mark those calendars!

\*\*\*

And on Saturday, August 16 the Miners Bay Lodge will be hosting a lawn, garage and bake sale across the street from the lodge beside the old church. This is an annual event that has proved to be a fabulous success so plan to get there early on Saturday morning. Proceeds will be used to support a school in Haiti and Habitat For Humanity projects.

\*\*\*

Recently 3 visitors to Minden purchased 4 tickets on the Agnes Jamieson quilt and promptly donated the tickets to the Minden Food Bank. That, of course, means that the Food Bank has 4 chances to win the quilt which was made by Laura Kirkwood over the past 2 winters. Hmmm, I wonder what they will do with the quilt if they should win? It's all academic I know, but-----.

\*\*\*

If you are planning to attend the fall fair this weekend, be sure to see the displays in the Curling Club. And while there, stop by the Minden Lawn Bowling Club's booth for some refreshments and what we understand will be a great selection of home baking (after 11:30 a.m.) I know they would appreciate your

## Minden Fair

The highlight of our summer is our Minden Fair

Everybody who's anybody is bound to be there.

There's quilting and baking and art on display

And produce and cattle and pottery of clay

There's a prize for the lady who wins the home bake

Whoops says the judge I've just dropped the darn cake

Oh no! wails the winner with a cry of woe

To hell says the judge it's just broken my toe

The flowers are lovely and there's Miss Harmonia

support.

\*\*\*

A tree planted by the Minden and District Horticultural Society in memory of Annie Kernohan will be dedicated on Saturday, August 16 at approximately 1:30 p.m. at the Minden Fairgrounds (near the tennis courts). Friends are invited to join the family and the Horticultural Society for the ceremony.

\*\*\*

Promise yourself to wear a cheerful countenance at all times and give every living creature you meet a smile.

\*\*\*

We all wish Vera Bagshaw a speedy recovery and a quick return home from the hospital.

\*\*\*

English translations from various parts of the world don't always come out quite right as these continuing examples demonstrate:

• At the entrance to an Italian zoo: "Please do not feed the animals. If you have any food give it to the guard on duty".

• In an advertisement for a Bangkok dentist: "Teeth extracted by the latest methodists".

• In a Dutch airline ticket office: "We take your bags and send them in all directions at once".

(More next week).

\*\*\*

Are you doing your part in helping Minden residents keep their beautiful town attractive? Remember to scoop the poop if you are walking your dog. Wouldn't you want us to do the same in your town?

\*\*\*

St. Paul's Church have a Friendship Club that meets for euchre every Monday at 1:30 p.m. and the word on the street is "they are a wonderful group so why not join them sometime?" Last week Jeanne Sears and Betty Hardy had the high score while Laura Carnegie had the most lone hands and Nancy Gayton split their 100/100 draw.

\*\*\*

Club 35 enjoy euchre games. I know because Ken Wallace told me so. Ken didn't make the list of euchre winners last week but several of the other regulars did along with some newcomers. Lone hands went to Olive Upton; high scores to Olive Jones and Eleanor Smith; low scores to Mary Pearson and Alf Whyman; and the 50/50 draw to Wally Harpur. There is another award

Who won the first prize with her big Begonia

The vegetables were judged and they called Mr. Stavage

And gave him a blue ribbon for his wopping cabbage

It's a pity the judges don't know the true score

For he just bought the darn thing in the IGA store

The horses are grand as they jump in the air

The riders so graceful and so debonair There's fun and there's laughter so

listen with care

Whatever you do, don't miss our Minden Fair

It doesn't cost much for a visit And Lee's at the wicket to sell you a ticket.

D.M. Brown

called "the baloney" and it went to Eileen Kinsey while the "special" awards went to Rhoda Woolner and Tom Pearson. Join in the fun every Monday at 7:30 p.m.

\*\*\*

Contract bridge winners from the Stanhope Firehall last week were: first Fred Heald; second Frank Schlotter; and third Helen Rice. The gang really had a good time for they bid and made 2 small slams by Helen Heald and Vange Croucher and by Helen Rice and Frank Schlotter. Join them every Tuesday at 1 p.m. Partners not required.

\*\*\*

Seniors bid euchre got off the ground once more at the Minden Legion and guess what? Finally, finally, after years of playing, Marg McAfee came in first. I'd like to leave it at that but I guess we should mention the second and third place winners who were Jack Chilton and Kay Smith/Ruth Kellett who tied. They meet every Tuesday at 1:30 p.m.

\*\*\*

Bid euchre players from the Stanhope area report that at the Firefighters Hall on July 30 they gave away numerous door prizes during the card party. Winners were: Gala Stamp 312; Pat Roussel 311; Marjorie Cowen 286; Pearl Foster 283; Norm Lee 283; and Wally Thomson 283. Join in the fun every Wednesday at 7 p.m.

\*\*\*

Minden Legion announce euchre

winners from Thursday, July 31: Bill Mitchell and Marcel Roussel most lone hands; Pat Roussel and Ellen Holden high scores; Marie Dennie and Roy McDonald low scores.

\*\*\*

Bid euchre players from Club 35, Halls Lake had a most successful time last Friday, August 1 with 4 moonshots and 4 door prizes handed out. Moonshots by Maxine Thomson, June Branning, Jim Skinner and Dorothy Walters. Winners Marion Farr 300, Peter Farr 266, Gala Stamp 261, Edith Russell 259, Edith Burch 259, Wally Thomson 249. Hidden score went to Maxine Thomson. Join them Fridays at 7 p.m.

\*\*\*

## HEALTH NEWS: Older and Wiser: (cont'd)

Improved fitness in seniors can play a crucial role in maintaining an independent lifestyle. Much of the physiological loss with aging is due, not to aging per se, but to a reduction in regular physical activity. There is an abundance of research out there that shows that a physically active lifestyle can prevent cardiovascular disease. Individuals using up fewer than 2000 calories per week during physical activity have a 64% greater risk of experiencing a heart attack than those who use up more than 2000 calories per week. (to be continued)

Is this how I'm supposed to feel?

I feel like I'm losing control!

I could use some help and someone to talk to!

Sometimes a little help makes a BIG difference...

At SIRCH, we can help:

- children with special needs
- parents who feel all alone
- pregnant women
- people in crisis or feeling stress
- people with life threatening illness
- people grieving the death of someone close to them
- women with violence or abuse in their lives

Our services are confidential,  
most are free.

CALL SIRCH 457-1742

## AT REST

**DICKER,  
John E.**

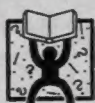

Passed away at Hyland Crest  
Senior Citizens Home, Minden  
on Monday, August 4, 1997. In  
his 82nd year. Loving husband  
of Betty. Dear father of Donna,  
Stan and Betty. Grandfather of  
ten grandchildren and nine great  
grandchildren. Dear brother-in-  
law of Doug MacAllan. A Pri-  
vate Family Service was held  
on Sunday, August 10, 1997.  
Cremation has taken place.  
Memorial Donations to the  
Minden Hospital Building Fund  
would be appreciated by the  
family. Arrangements entrusted  
to the Gordon A. Monk Funeral  
Home, 127 Main Street, Minden  
(1-888-588-5777).

## SISSON

**Robert David 'Bob'**

Passed away on Saturday, Au-  
gust 9, 1997, at the age of 18.  
Greatly cherished son of Martin  
and Victoria Sisson of West  
Guilford and loving brother of  
Alexander and Mary. Beloved  
grandson of Donald and  
Marjorie Sisson of Minden and  
Isobel and the late David Small  
of Meaford. He will be greatly  
missed by his family and friends.  
Friends may visit at the Gordon  
A. Monk Funeral Home, 127  
Main Street, Minden from 6:00  
to 9 p.m. on Monday. Then to  
St. George's Anglican Church,  
Haliburton, for a Celebration of  
Bob's Life on Tuesday, August  
12, 1997, at 2 p.m. Interment St.  
Peter's Cemetery, Maple Lake.  
Memorial donations to Moth-  
ers Against Drunk Driving  
(M.A.D.D.) or to the Haliburton  
Highlands Secondary  
School's Ontario Students  
Against Impaired Driving  
(O.S.A.I.D.) would be appreci-  
ated by the family.
